Gifted characters gain the opportunity to choose spell-caster careers

COMBAT CASTER

(ARCHETYPE ABILITY) When this character makes a magic attack roll, she gains an Additional die. Discard the lowest die of each roll. (R3/K2)

RIPOSTE

(DUELIST ABILITY) Once per round when this character is missed by an enemy's melee attack, immediately after the attack is resolved she can make one normal attack against the attacking enemy.

EMPOWER

(PRIESTESS ABILITY) During this character's turn, while she is B2B with a non-incapacitated friendly character, she can spend 1 Feat Point to cause the friendly character to regain d3+1 **Vitality** points.

PARRY

(DUELIST ABILITY) While armed with a hand weapon, the character cannot be targeted by free strikes. This ability can be used numerous times on the same turn if applicable.
